

MODUPE MORIRE LOVE FOUNDATION (MMLF)

NEWSLETTER

OCTOBER 2023

Notes from the President office

Welcome to the october and the very first MMlove foundation newsletter.

In the 2 years inception of our foundation ,we have been involved in various humanitarian works with God's support and yours .

In our newsletters, we will be communicating with you our activities to keep you informed and to carry you along with our incoming programs .

The month of october was very unique to us. Two activities were done to mark the first and second anniversaries of MMorireLovefoundation and the Hosanna Winners Ministries.

The program featured our Annual Leadership Forums 2023, titled " **Enhancing Effective National Governance through Women & Youth engagements**" This conference was graces with our two main speakers, namely - Rev. Enikanselu Paul - Chairman CRUDAN .NIGERIA and Pastor(Ms) Modupe Ologunleko - President/Founder MMLFoundation .

Through this leadership forum, issues relating to women and youth participation in effective governance were discussed and resolutions were given. These includes youth and women mentorship in governance, poverty effects on these twain governance , political, socioeconomics and cultural discriminations, elimination of paparism in governance.

On the 16th October 2023, a medical outreach program and seminar was held for the occupants of the Ajah Underbridge in Lagos.

The services rendered include:

- Education on health issues with focus on -malaria, high blood pressure. etc
- Examination of health situations of participants
- Provision of simple amenities and medical safety tips.

In total, 100 participants were reached out to - 72% males, 28 females, within the ages of 20-51 years.

Due to the financial support of our supporters, we are able to meet up to the budget for the program of 220K naira.
