## MMLove Foundation Prison Outreach

*Our journey to Ikoyi  
Correctional Facility, Lagos*

The outreach was a success as MMLF distributed gifts to the inmates, symbolizing God's love and care. As the foundation continues to grow, it remains committed to touching lives, spreading the gospel, and helping the poor, the needy, and the marginalized. From visiting motherless babies and handicapped children to bringing joy to all, MMF is a beacon of hope.

### ● Empowering Souls with the Good News

The MMLove Foundation (MMF) is on a divine mission to bring the good tidings of freedom to the nations. Rooted in the scripture from Isaiah 61:1-2 and Luke 4:18, the foundation stands on the mandate to preach the Good News, comfort the brokenhearted, and proclaim freedom to the captives. As Jesus declared in Luke 19:9-10, "Today is your day of salvation," MMF carries this message of hope and redemption to the prisons and the world at large.

## Highlights:

- Over 300 male inmates were encouraged with the word of God.
- Food and water were donated to the management for the inmates' benefit.
- The team, comprising volunteers and board members, emphasized God's interest in each person's life and His plan to transform their situation for His divine purpose.
- Prayers were offered, and the inmates and management expressed gratitude for the kind gesture.
